OKA+ Spotlight Series: Tami Cotner, Regional Coordinator

Tami is our newest regional coordinator, serving the Tulsa area and Eastern Oklahoma! As a regional coordinator she will be responsible for cultivating relationships with and organizing professional development workshops for her assigned network schools. She’ll also assist with the development and facilitation of other OKA+ events, such as new teacher and school summits during the summer.

Originally from Illinois, Tami and her family moved to a ranch in Idaho at the age of 16. She graduated from Boise State University and has spent many years in education, primarily as a teacher and administrator in public school special education. She and her family moved to Mounds, OK about 10 years ago. She and her husband have 5 children and 8 grandchildren, and their youngest daughter, Faith, keeps Tami busy with homeschooling and rodeos.

We’re excited to have Tami as a part of the OKA+ family. Be on the lookout for her at OKA+ events!

Q: Dogs or cats?
A: Dogs (we have 6 of them). We also have 8 horses, 4 calves, chickens, and ducks.

Q: Dine-in or take-out?
